Dear Mr Burdette Deakin

Flagship Housing Group Ltd v MR MICHAEL BURDETTE DEAKIN
Anti-Social Behaviour Injunction

We refer to the Court's Order made on 6 November 2020.

We received complaints during December 2020 regarding your lighting wood burning fires within your garden and also smoking cannabis.

This letter is to remind you of the terms of the original Injunction Order made on 14 October 2020, that you are forbidden from using any form of illegal drugs at your property and the interim injunction made on 6 November 2020 which states that any fire you light in your garden must be done so using your chimenea and you must only use smokeless fuel.

We continue to monitor your compliance with the terms of the Injunction Order and shall bring any breaches to the attention of the Court at the Hearing on 18 February 2021.

In relation to the Directions given by the District Judge in preparation for that hearing we note that you have failed to comply with paragraph 4(a) and 4(b) of those Directions. You have not filed and served a completed version of the Scott Schedule which should include your response to the allegations raised and you have failed to attach a copy of a prescription, you say you have been issued with in relation to your use of cannabis, to your witness statement. We shall bring this to the attention of the District Judge at the hearing.

Yours sincerely
