Dear Mr Burdette-Deakin

Re: Advice regards use of social media and alleged anti-social behaviour.

I regret that I must write to you in relation to alleged abusive behaviour by you towards a near neighbour. It has been brought to my attention that 'posts' made by you on your social media site may easily be perceived as insulting and offensive towards the tenant at 25 Shrub House Close. I therefor write to you as a representative of your land lord to take this opportunity to remind you of your obligations as a Flagship tenant in terms of behaviour towards other neighbours.

I have seen posts attributed to your name dated from October 2017 and more recently dated 13th August 2018. They make clear reference to a woman three doors down from you and the woman at number 25. You refer to 'the prostitute' and the 'silly c\*\*\*t', both of which are unacceptable and are harassing in nature and by any standard offensive and bullying.

I would ask that you stop making such references to anybody in this way never mind a near neighbour. Your tenancy agreement states that you are responsible for your behaviour and that you must not at 5.4.1. (A)...cause a nuisance or annoy anyone in the local area ...or (B) behave in an anti-social manner .

If I should become aware of any further such references toward a neighbour either within social media or via any other medium I will consult the Police with regards to whether it may possibly constitute criminal harassment and also seek advice in relation to possible tenancy action .

If there is anything you don't understand or wish to discuss in this letter please contact me .

Yours faithfully,

Pete Sharples ASB Officer
